OUR STORY

Established in 2007, the Coffee Barun is a coffee roastery & destination café located just North of the city at Sefton Park. Open 7 days a week for breakfast and lunch, we offer a fresh, wholesome menu, complemented with a unique selection of coffee beans roasted on site.

OUR COFFEE

Ethically traded, with a focus on seasonal micro-mill and micro-lots, our bean selection changes regularly according to crop quality and availability. Our beans are selected, profiled, roasted & served fresh, from crop to cup.

While we love to serve you at our place, if you are interested in using our coffee at your own café, please contact us directly. You may also shop online and have beans delivered to your door via our website.

OUR FOOD

Our produce is locally sourced and free range wherever possible. Dietary requirements can be accommodated on request with options to suit gluten free, vegetarian & plant based diets. All dishes are made to order to ensure optimal freshness and taste.
